Important Notes for 4C Printing:

Printing onto T-Shirt is significantly different than printing on paper, It is using sublimation process onto the material.
The print output couldn't exactly same as the artwork you have submitted through online due to sublimation technology,
the product outcome will be slightly grainy, darker or lighter and the resolution couldn't 100% clear as the screen preview.
While lighter shades outcome might appear lighter or less visible compare to screen artwork.
